Library Presents

Or take your pick from these videos— all starring models you've seen in GENT

WORLD OF DOUBLE-D #2: Vivacious **Louise Leeds** (above) made her debut in this 75-min. video. Louise slugs it out with her buxom friend **Jeannine Oldfield** as they engage in a spirited, mam-swinging pillow fight before opening up in unabashed posing sessions. Scottish cutie **Stacey Owens** also does a beautiful X-rated scene. **$69.95**

BIG BOOBS AROUND THE WORLD #4: If you enjoy watching horny, big-boobed vixens get it on via hot group sex, you'll love seeing the twosome of **Annie** and **Jeannine** (both of whom are above) come to life in this 75-minute X-rated tape. You'll also see superstar **Suzie Boobies** in an arousing hardcore performance. **$69.95**

GENT'S HARDCORE PLUMPERS: We rounded up our three most popular new plumper models for a week-long video shoot that turned out to be one of our all-time best efforts. The incredibly endowed **Roberta Smallwood** and **Melanie Anton** (above) and **Fawn Miller** (who's since lost weight) all do hardcore their first time out. **$69.95**

BIG BUSTY #39: Former "Candidly Yours" model **Lauren** (above and pp. 18-23) breaks her hardcore cherry as she does a genuine lezzie scene with **Chessie Moore**. When the girls are joined by a guy, Lauren gives him a blowjob, then steers his hard cock into Chessie's waiting lovehole for a very X-rated fucking. Running time: 75 minutes. **$69.95**

BIG BOOBS AROUND THE WORLD #6: Irish beauty **Lisa Phillips** (above) finally goes all the way and enjoys a lusty fuck in this XXX-rated video. It was a long time coming, but the sight of Lisa sucking her boyfriend's cock and being impaled was worth the wait. GENT favorite **Jeannine Oldfield** also does her first hardcore. **$79.95**

BIG BUSTY #42: Four of the best slim-'n'-stacked models to ever grace GENT's page are featured in this 75-min. video. **Trací ToppS** (above), one of the most popular performers on the dance circuit, returns and she's hotter than ever. Also starring are voluptuous **Lacey Pleasure**, **Kimberlee Kupps** and sexy **Karen Partington.** **$69.95**

MAMMARY MANOR: Here's a video that is so incredibly good we hardly know where to begin describing it. Let's start with the girls. The main attractions are pouty British star **Tracy Gibb** (above left) and French newcomer **Melodie Kiss** (above right). Both are naturally slung beauties and in this video both perform some of the hottest, most inspiring hardcore you've ever seen. Filmed in a beautiful old English manor house, this classy yet raunchy feature showcases Melodie in three separate sex scenes. You've never seen a girl give head like this girl does! After watching her in action, you'll know why they call it 'French!' And if you like tit-fucking, you're going to go crazy when you see Tracy and Melodie bring their men to geyser eruptions between their pliable mounds of breastflesh. These are the kinds of girls—and this is the kind of video—that will get your dick up again and again! **$69.95**

Angelica measures an impressive 41-27-37 and, as these sultry photos attest, certainly knows how to show off her assets. We especially like the shot at top opposite in which her hooters pancake naturally while her hand creeps toward her pussy.

One reason we think Angelica is so special is that she possesses many different qualities that appeal to a wide range of men. For instance, if you're enthralled by tan lines, feast your eyes on Angelica's bronzed torso and pale pontoons; if enthusiastic boob play gets you off, Angelica does that too.

Angelica: heaven sent

When busty Angelica Lopez debuted in GENT in Jan. '92, we knew she had the potential to become a very popular model, and she certainly hasn't disappointed us. Of course, it's not surprising that a lady with such a beautiful face and spectacular body would wow GENT readers. Lovers of the classic, full-figured Rubenesque form are naturally going to find Angelica to be the embodiment of feminine perfection, and we couldn't agree more.

Crouching between my legs, she wrapped those melons around my cock, kneading her own flesh as she jacked those whoppers up and down my stalk. She wrapped her lips around my cockhead, placing a lipstick ring just under it as she twirled her tongue tantalizingly around my sensitive cockhead.

I watched her massaging her own tits and she jacked me off with them. It was the most incredible sight I'd ever beheld, and in seconds I was coming like a maniac.

And when she had drained me, she continued to give me head. When she was assured my cock was going to stay hard, she raised up and impaled herself on my rod, sliding all the way down until she ground her dewy gash fervently around the base of my bone, moaning uninhibitedly as she did.

She leaned forward, bracing her hands, on either side of my shoulders, and launched into a righteous fuck, that hot twat rising and falling the length of my cock with fury. Those dangling delights shook and swayed as if caught in a Richter scale-busting earthquake.

Each pump of her pussy produced a lewd squish and a breathy groan from her. Her bouncing tits were slapping together, and I reached up and palmed them, giving her the most energetic tit massage I'd ever given any woman.

Her luscious body pumped rhythmically up and down on my cock, and we both careened headlong toward fiery orgasms. Just as I felt her pussy flutter around my cock and heard her sharp orgasmic gasp, I fired off inside her, spurting my scalding spunk into her steamy depths.

When our orgasms ebbed, she collapsed on top of me, hugging me tightly, thanking me for the fantastic sex. She fucking thanked me! I was astounded.

I left her hotel room at 6:30 a.m., and headed straight to work in the same clothes I'd worn the previous day. The news crews were waiting for me. They told me it had been the biggest bust in the city's history, but I just smiled, remembering those soft, fleshy mounds of titflesh. In my most professional sounding voice I somberly told the news crews, "Yes, it most definitely was a gigantic bust." G

Big Bust At City Hall

CONTINUED FROM PAGE 52

swayed from side to side. Vivid stretch marks lined her pale flesh and dizzying criss-crossing blue veins were apparent under that soft skin. Her areolae were enormous, as pink as her fingernails. Two cog-shaped brownish nipples jutted out provocatively, easily a quarter-inch. The way those whoppers flopped from side to side, they looked like velvet bags carrying ten-pound iron balls.

Claudia shimmied out of her panties and both of her hands ran through her sparse cunt hair, shaved high away from her already distended pussy lips, which glistened faintly with moisture.

That top-heavy beauty leaped onto the bed, standing over me, leaning forward so those dangling delights swayed pendulously over me. I was hypnotized by them, salivating for them, my cock throbbing in my pants, eager to be between them.

Claudia dropped to her knees and adeptly undressed me. When she had me naked, she straddled my stomach, leaning forward, smothering me in her gorgeously, overflowing tits.

I greedily manhandled those fleshy orbs, deeply kneading her soft flesh, catching her stiff nips between my fingers and feeling them stiffen even more. I opened my mouth and took as much of one inside as I could, letting it slip out until only her nipple remained between my lips. I sucked ferociously, thrilled at the sensation of having a huge nipple stiffening between my lips and also at the fervent moans my tit manipulation was producing in Claudia. She ground her hot, dripping gash against my stomach, and I could literally feel moist heat radiating out of her.

I switched to her other tit, as Claudia reached between her legs and frigged herself, finger-banging her engorged clit, while I contentedly sucked on her tits. Moments later that exquisitely sexy lady shrieked, her tits smothered me as she lurched forward, and her whole body trembled as she came very hard. All throughout her orgasm, I kept kneading and sucking her tits, feeling a monstrously huge orgasm building up inside me.

As soon as her bountiful body relaxed, Claudia pulled her tits away from my face and moved down my body.

Candidly Yours

This month we've got three lovely amateurs—two new ones and one repeater—who're ready to please.

On the left side of this page is sexy Lynne, a Canadian who's always dreamed of appearing in GENT, and now has had her dream come true. Lynne's awesome tan lines let us see just where her skimpy bikini ends, and allow us to fantasize about what Lynne looks like when she's bronzing her fantastic 5'4", 125-lb., 36-27-36 body.

A repeater from May '90, Rusty (who's taking up the entire right side of this page) hoped we'd want to see again and boy, was she on target. Standing 5'6", this 130-pound, 38-25-38 lovely is 22-years-old and enjoys having passionate sex with both men and women.

Dating D-cuppers

CONTINUED FROM PAGE 39

are sure you can come up with many more.

You have been dating each other for awhile, but your dates have consisted of nothing more than long walks in the park and cozy dinners at home, with an occasional "night on the town" thrown in (after you paid your credit car bill) to keep her off-guard. She is beginning to get suspicious. One evening, she demands you take her dancing at the most expensive nightspot in town. However, you can not even afford the cover charge. What are you going to do? Try deception!

Say to her, "I wanted this to be a surprise, but I have been saving up for a really special gift. I don't want to tell you what it is because I can't wait to see the look on your face when I give it to you. If you have a little patience and trust, I will make it worth your while." This sort of deception can keep a money-hungry woman on the line for weeks, even months, but beware. When she gets tired of waiting, and you can't deliver the goods, it is time to move on.

There are hundreds of "tight budget" gifts you can give your D-cupper. For example, greeting cards, buttons, balloons, T-shirts, stuffed animals, etc. are all "tight budget" gifts.

Buy her a single cassette of "your" song; give her an old sweatshirt you don't wear anymore, tell her it is your favorite, and ask her to wear it to bed a night. Use your imagination. You may misfire once or twice, but she will see that you are trying. She will see that it matters to you. It is the thought that counts!

An even more devious scam is to show up at your D-cupper's place with a wallet full of Italian currency. Tell her you just got back from a trip to Rome, and have not had a chance to convert your ten-thousand lire into U.S. dollars. (You can purchase ten-thousand lire at a foreign currency exchange for less than $15.) Not only will she think you are loaded, but she will pay for the date.

Being short of cash is nothing to be ashamed of. If your woman insists on spending a lot of money, remind her that your plans for your financial resources go beyond entertainment expenditures, luxuries and living for today. Yes, your money is meant to be enjoyed. But, managing it well means preparing for the future.

If you have to spend money, spend it on shared experiences, not on things. Spend money on the two of you together. There is no price on cherished memories.

The best things in life are free. A generation ago, men managed to have a good time without spending a fortune on women. There is no reason that cannot hold true today.

Be perceptive. Learn to recognize a woman who is more interested in you as a person than your bank account.

Sharpen your lovemaking skills. A woman who is hot for your body would much sooner spend her nights in bed than out on the town. **G**

IT'S
HOT!

guys about my first time, he thought.

A shiver went up his spine. What guys? His co-workers down at the office? Why should they care about that old story? Hadn't he lost his virginity when he was in high school...*20 years ago?*

Just as everything was starting to become clear in his mind Cathy was bucking under him, moaning and thrusting her hips. Wayne's balls were tight, throbbing with the first dull pulses of his own climax. He was beyond the point of no return, every nerve alive, his body tense. His quickly approaching orgasm took priority over everything else in the world.

"Yes, do it, come along with me," Cathy groaned, writhing under his hard thrusts. Her eyes were clamped shut. She bit down on her bottom lip hard enough to draw a drop of bright blood. Her pussy was squeezing Wayne's dick in waves, clamping down hard. Wayne moaned as the first long spurt shot out of his cock.

He pushed as far up into Cathy's cunt as he could go. Stream after stream of thick semen gushed from his hard-on, simultaneously draining every bit of tension and strength from his body.

Then it was over. He'd lost his virginity—again.

The circular light behind the pretty technician's head made her look like an angel with a halo, Wayne thought. A white line was making an S-shaped wave in a monitor window beside her.

"All your memories are back on-line in your head again, Mr. Lester." She smiled and placed a bandage over the crease of his arm. A hypodermic syringe was on a metal tray nearby. "Hope everything went satisfactorily, as always."

Wayne had dry mouth, but no other after-effects. "I think I might be building up a tolerance," he said. "Not all of my memories stayed suppressed today. I was able to remember other women while I was in bed with Cathy."

The technician nodded. "She told me you seemed to be getting flashes. We'll adjust your dosage next time so everything about sex will seem brand-new, just like we advertise."

"Cathy was great, though." Wayne rolled down his shirt sleeve. "She got into her role more than any other member I've been with. In fact, I'd like to get matched up with her again the next time I'm a virgin—if it wouldn't violate house rules."

"The only rules here at First-Timers are those that keep our members happy. But you don't have to wait until your next virgin session to be with Cathy."

"Well, yeah, I know I could date her outside the club. But that's not really the same..."

"That's not what I mean. Right now Cathy's in the next room being prepped for one of her own virgin sessions. She requested that you be the member to pop her cherry this time—if you're up to it."

Wayne grinned. "I don't think I'll have any trouble."

"She'll be waiting in the same hotel set where you two were together. We're blocking enough of her memory to make her think she's a 19-year-old cheerleader again. Be gentle with her, though..."

"I know, I know," Wayne interrupted. "It'll be her first time." **G**

said calmly. "I want you to. I want your cock in my pussy." She placed the tip of an index finger against her opening and eased it in and out. "I'll make your first fuck one you'll never forget."

Wayne's mind was suddenly empty of everything but Cathy again, like a switch had been thrown in his head. He gently lay on top of her, taking her upper body in his arms. He thrust his hips, blindly trying to find her pussy's opening with her stiff dick. His cockhead lunged against her thigh, and then down between her pussy lips. He felt like a clumsy virgin idiot who would never find the way in.

"It's all right, I'll help you." Cathy grasped his cock and positioned it between the lips of her cunt. "Now just go slow."

The circular muscle of her pussy felt too small to let him push his way inside. Wayne wasn't sure if he should try forcing his cock into Cathy—he didn't want to hurt her—but for all he knew that might be how it was done. He didn't have any experience at this kind of thing, after all.

Or did he? What about Gina and Karen and...

Those wispy thoughts drifted back out of reach as he made unconscious pumping motions against Cathy's tight, clenching womanhood. To his relief, he felt it ease open, admitting his engorged cock.

Cathy was warm and slippery inside, and tight. She gave a little shudder as Wayne pushed his cock all the way inside her pussy. Her fingernails dug into his back.

"That's it, darling. Now fuck me. Pump it in and out until you come." She wrapped her legs around his back and locked her ankles, squeezing him. "Fuck me the way you've always dreamed of fucking your first girl."

Her tits were soft against Wayne's chest—except for her nipples. Her pussy made wet sounds as he thrust his cock in and out, in and out. Wayne knew he'd be coming any second and that this time he wouldn't be able to stop himself, but he didn't care. All his life he'd been waiting for this day, fantasizing about finally losing his virginity, and now it was happening. *Just wait until I tell all the*

hollowed as she bobbed her head and nursed at his hard-on.

When she took his dick out of her mouth to lap her way down to his balls Wayne remembered someone named Alicia, and another girl named Julia. He then promptly forgot them again.

He knew he couldn't take much more of what Cathy was doing without climaxing, and he was serious about not wanting to come in her mouth. Even in his confused mental state he still wanted more than anything to come in a girl's pussy for the first time. He wanted to see Cathy's cunt and feel what it was like to actually fuck a girl.

The first time? He shook his head to clear it. *But what about...*

"Take off your pants and show me your pussy," he said abruptly, pushing Cathy back on the bed. "I want to fuck you. Right now."

Cathy still didn't ask any questions about Wayne's change of personality, his new air of control. "Whatever you say, Wayne." She undid her jeans and held her legs out toward him. "Here, help me."

Wayne pulled her pants off and threw them aside. He barely glanced at her white cotton panties. "Take those off too," he said impatiently, rubbing his eyes.

Cathy's expression showed she knew something was wrong, but Wayne wasn't paying attention to her face. He kept his eyes on Cathy's crotch as she slipped off her panties, lay back against the pillows, and pulled up her knees.

The fleshy lips of her pussy were still softly crumpled against her slit from where her underwear had pressed them flat. Cathy reached between her legs. Using her fingertips, she eased her cuntlips apart, to reveal her little pink fuck-hole. It was shining with wetness.

Wayne stared down at her, thinking of Wendy and Melissa and Rachel without being able to put faces with those names.

"You can fuck me, Wayne," Cathy

"VOTED BEST ADULT FANTASY"

CONFIDENTIAL & TOTALLY PRIVATE

MUST BE 18 OR OLDER!

This full-figured shot lets us see Mandy's curvaceous 38-26-38 figure in all its glory. We especially like the way her hangers splay on her chest.

It appears to us that Mandy's nipples have erected, a sure giveaway that she's become aroused while being photographed. As regular GENT readers know, such an occurrence is not altogether rare, but it sure is stimulating to us when it happens.

Mandy

Say hello to a new GENT discovery from the sharp eye of photographer Donald Milne. Mandy is her name, and driving boob hounds crazy is her game. Although not what we would consider mammoth up top, Mandy's mams are 100 percent natural and she obviously enjoys showing them off. In addition to possessing those titillating tatas, Mandy also conveys an aura of relaxed sensuality that we find irresistible.

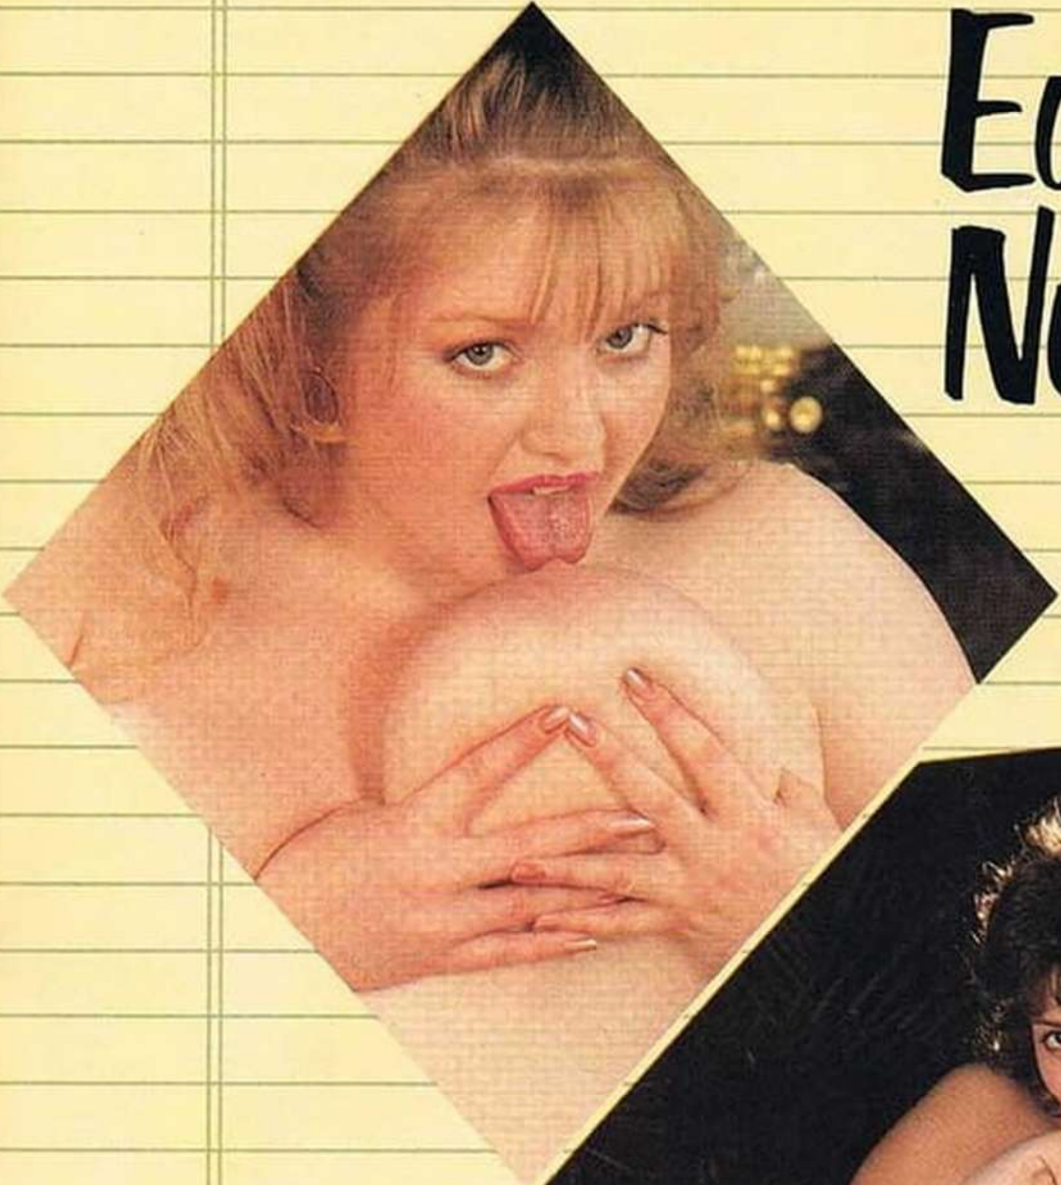
These photos give us a good look at some lip-servicing titters from different angles. Roberta Smallwood (**left**) does her oral gratification with her back turned to us while Busty (**below**) and Justine (**bottom**) do theirs straight on and with their legs spread. Justine shows her versatility (**opposite**) as she prepares to tongue LeeAn.

Editor's Notebook

In this month's "Editor's Notebook," we do more than just pay lip service to our models' boobs—we let the girls do it themselves.



Tit hounds love seeing big-boobed women put their mammarial wonders into their mouths and kiss, lick and suck them to their heart's content. One reason we like seeing it so much is that not just any woman can do it; no, only well-endowed titters are capable, and perhaps we find the sight of them doing it erotic confirmation of their mammoth bust size. Of course, we don't need much confirmation when it comes to girls like Nilli (**opposite**), Tanya (**above**) and Devon (**right**), but we still enjoy watching it.

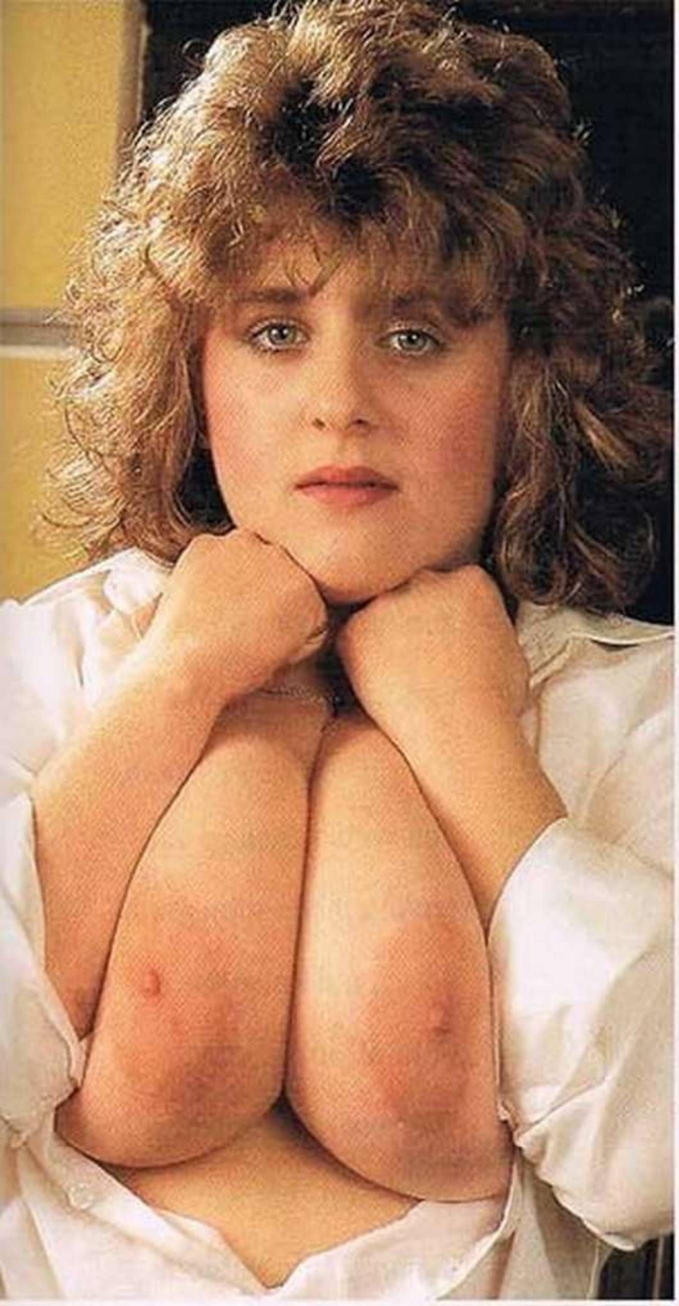
Stella knows that men love eyeballing the unique femininity of a squatting woman.

Any lady who pays attention to her own breasts as Stella does in this layout is the type who'd surely want a man to do even more. Just think if you were the lucky guy who got to do whatever he pleased with Stella's hooters. What would you do first? If it were up to us, we'd probably start by fondling those soft flesh melons in our hands before lightly licking her huge areolae and nubby, little nipples. Eventually, we'd take her teats in our mouth and suck for all we were worth.

In case there were any doubts about the heft of Stella's tantalizing hangers, she puts them to rest by lifting her boobs to her mouth and tonguing them ever so sensually. And as you watch Stella manipulate those monsters, you should also take note of how pliable they are—a good indication that her mammarial gifts come courtesy of Mother Nature. For those of you keeping score at home, Stella stands 5'3", weighs 140 pounds and measures a luscious 42-27½-38.



For men who fantasize about making it with a bookish, big-titted coed, Stella does her best to please by donning (and eventually un-donning) her conservative outfit.

"Mind you, I'm not complaining, Cynthia, but I think you've gone about as far as you can go with breast enhancement surgery."

empty trash can.

When I looked up, sensing a presence in my doorway, I had to blink twice to make sure I wasn't hallucinating. Not since a drug dealer slipped 100 mikes of acid into my coffee had I seen such a thing. For a full ten seconds, I'm sure, I stared at a world-class set of lungs, unable and unwilling to make my eyes move from those massive mams.

It wasn't until she said, "Detective, I'm Mindy Mounds, or really Claudia Ashcroft," that I tore my eyes away from those enormous flesh pillows and gazed at her beautiful face. A mid-twentyish blonde with a creamy complexion, dazzling blue eyes, full rich lips painted a cinnamon color, her face was as pretty as what she packed into her snug cotton dress. A pale blue, form-fitting dress that stopped just above her knees, the fabric of that dress stretched tightly across her massive tits, clearly showing the lines of an industrial-strength bra.

"May I come in, please?" she asked, her words shaking me back to reality.

Self-consciously, I scrambled to my feet and offered her a chair. I still hadn't spoken a word, too stunned by her physical attributes to think clearly enough to speak. I sat back down in my desk chair and struggled to keep my eyes on hers.

"I understand you're investigating a drug ring," she said, her voice soft, sexy and lilting. I nodded my head.

She said, "I'd like to help you nail the bastard behind it." She said the city councilman's name and my heart pounded.

I spoke my first words, hearing an uncharacteristic quiver in my voice. "What makes you think he's behind it?" She smiled. "I know he is. He told me as much last night in my dressing room."

I arched my eyebrows questioningly and she explained that she's a dancer at a local strip joint, one I knew well, one that imports porn actresses and centerfold models to flash their pretty gashes on stage. She said the city councilman has quite a bit of influence at the club and was allowed into the dancers' dressing room, where he pawed at her breasts and told her what a rich, powerful and influential man he is. She said he slipped a $100 bill down her G-string, telling her that if she went to a motel with him after the joint closed, she could have more money, and lots of drugs.

"I'm definitely not a prositute," Claudia Ashcroft said defiantly. "He was insistent, though, telling me he'd be back tonight. That's when he told me he headed a drug ring that the police weren't going to touch because he was so influential."

I mulled that over in my head, as I let my eyes drop to her impressive bosom. Without me saying a word, she said, "They're 50s, and they don't make a cup this big. Someone once estimated them to be quadruple Es, in case you're wondering."

I felt my face heat up, knowing it was turning red. I'd been caught in mid-leech, and I felt ashamed until she said, "Let me help you nail that sleazy bastard and I'll smother you in tits."

Okay, she was on the case! I asked her how she thought she could nail the guy and she smiled seductively, saying, "While he was in my dressing room, his beeper went off. He used the pay phone on the wall and I overheard enough to know that there's a big shipment coming in tonight at three a.m. He was proud about it, telling me he'd take me with him, show me more drugs than I'd ever seen in my life, let me have my pick of whatever I wanted."

I suddenly felt all the frustration and anger, which was brought on by my chief, dissipating as if by magic. I smiled and nodded my head, saying, "I'll tail you when you leave work. Be careful."

She smiled from ear to ear, giddily saying, "I will. And be ready. My body is all yours after you bust that piece of garbage."

I had all the bases covered. I borrowed a friend's beat-up truck so the councilman wouldn't make me. I had three off-duty buddies set to tail me in their personal vehicles, and I had a television crew following them. With the chief co-opted by the councilman, I knew the only way to make the bust stick was by having a television crew there to catch the whole thing for the public. I also had an anticipatory hard-on, aching to see Claudia's monstrous mammaries.

At 2:30 a.m. the councilman walked out the backdoor with his arm wrapped around Claudia's waist. His hand was under her right tit, feeling that gigantic thing bouncing with every step she took.

I was half a block away, and when the councilman's big Lincoln pulled onto the street, I waited until he was half a block ahead of me, then pulled after him. My back-ups were tailing me a block back so it didn't look like a damn procession.

I followed that Lincoln all the way to City Hall. I cursed at his audacity, making a major drug deal right at City Hall.

I parked half a block away, and the procession parked a block behind me. We all sat and waited, and through my trusty binoculars I intently watched Claudia fighting off the councilman's hands.

She was no match for the tit-crazed councilman, though, and he had her dress open and bra lifted up, baring her huge breasts, just as a van pulled to the curb in front of him.

Two guys got out of the van, looking all around. They opened the back and pulled out two big duffel bags, walking toward the driver's side of the Lincoln.

I waited patiently until I saw the councilman get out of the Lincoln, open the duffel bags, examine the contents closely and pull a briefcase out of the trunk of his car. Then I hit it, peeling rubber, headed right for them, my service revolver in my hand. In my rear view mirror, I saw my buddies following me.

I pinned them in before they knew what hit them. The television news crew was filming before the councilman figured out he was busted. We had them, and the councilman cursed my mother for having children, as my buddies handcuffed him.

Squad cars showed up soon, and my buddies followed to take care of the booking. Claudia had closed her dress during all the confusion, and after a tow truck had hauled the big Lincoln away, Claudia had me take her to her hotel.

She had me lie on her bed, then she gave me a private performance of her act, swaying her body around sensuously, opening her dress, shaking it off, lifting her bra over her head without undoing it, and shaking those glorious globes at me.

I had never seen anything like it. Two enormous mounds of creamy flesh

BIG BUST AT CITY HALL

STORY BY JACK DAKOTA

With his case going nowhere fast, this private eye needed help. Luckily for him, a beautiful, big-busted mystery woman provided him that...and a whole lot more.

I WAS SITTING IN MY OFFICE licking my wounds. I had traced a local drug ring all the way up to the the City Hall office door of a flamboyant city councilman, and my investigation had come to a screeching halt. I knew the son of a bitch was guilty as sin, but he had gone over my head, straight to the chief, a devout politco, and had complained that I was harassing him too much.

The chief ordered me off the case. I had argued bitterly, but the chief gave me a choice–back off or turn in my badge. I cursed the chief silently while I went back to my office and tossed playing cards toward an

As an exotic dancer billed on the circuit as measuring a mind-boggling 55GGG-20-31, Tiffany is capable of striking some incredibly acrobatic poses. The shots left and opposite bear this out. Whenever we see a girl pose as daringly Tiffany does here, we wonder if she'd transfer that creativity to the bedroom. What do you think?

As these photos clearly show, Tiffany's spectacular figure looks great from any angle. Whether she's spreading her legs and pointing them toward the heavens (opposite), giving us a tit hound's view of her hanging flesh melons and cavernous cleavage (right) or just lying back with a "come and get it" expression on her face, Tiffany knows just how to give men what they want.

TIFFANY: A TOWERING PRESENCE

Tiffany first debuted in GENT in Nov. '90 as both our centerfold and covergirl. She seems to be making a habit of such quinelas, doesn't she? Of course, when you consider how luscious Tifffany's body is, how tempting her bulbous boobs look and how alluringly she carries herself, it's not surprising she's on the fast track to superstardom.

If the term "slim and stacked" was listed in a conventional dictionary, beside it you'd see a picture of the awesome Tiffany Towers. She is the absolute epitome of the form. Big—no, make that huge—up top, Tiffany's mouthwatering figure tapers to a tantalizingly tiny waist. Add to that the obvious joy Tiffany experiences when she shows off her fabulous figure and it's no wonder why she's sure to leave countless GENT readers begging us for more.

set the stage for revealing conversations and maybe intimacy between you and your busty babe.

Upbeat stories about people in love can certainly be a winning formula for the perfect "tight budget" at-home VCR date. Most movies about relationships on video appeal to women. It is the idea of relationship and romantic fantasy that turns on women.

To begin your "tight budget" date, put the videotape into the VCR, dim the lights, fill your glasses with your favorite beverage and make yourself completely comfortable in front of the television. Then you and your big-busted beauty can escape to the world of the movies. As you can see, a romantic evening with your D-cupper and your VCR is the perfect "tight budget" date.

Another "tight budget" date idea is go on a picnic. However, if the weather is bad, spread a blanket out on the living room floor and feed each other cheese, wine, fruit and other treats.

Beaches, swimming pools and lakes are excellent "tight budget" dates. Take advantage of these outdoor activities every chance you get.

When nature sets the scene for romance, all you and your buxom babe have to do is show up. For example, the combination of a warm night, a nearby beach or isolated pool and the sky's dazzling show of stars are a good atmosphere. Invite her to join you for a moonlight swim (skinny-dipping optional)...the rest is up to you. Watch the sunrise together.

Also, there are certain environments and activities that lend themselves to dating on a tight budget. Following is a list of places where you can take your D-cupper on a date, without spending much money at all: attend art gallery openings, go to a museum, go to a trade show (car, home and garden, boat, etc.), go to flea markets and garage sales, go to craft fairs, volunteer your time for a worthy cause, etc.

Your big-breasted friend should love these creative "tight budget" dates; however, they may bore you to tears. Remember, your goal is to date D-cuppers on a tight budget.

If your big-breasted friend is athletically inclined, you can not beat participation sports like tennis (on a public court), cycling, running, walking, swimming or golf. Each takes up several hours and cost practically nothing when compared to dinner and theater tickets, and gives you a chance to impress your woman by showing off your athletic prowess. The exercise gets her loose, hot and sweaty, hopefully putting her in a physical mood. Afterward, invite her back to your place for a cool drink and a shower or bath.

One good idea is to forego taking a quick shower, but treat yourself to a sensuous bath with your D-cupper!

Of course, iron out all of the basics first. Be sure that there is proper heat in the bathroom because nothing shocks the body more than to get out a tub full of warm water into a cool bathroom.

Line up your scented soaps, bath oil, and bubble bath. Have a supply of thick, thirsty and soft towels ready near the tub for when you are through bathing. A bath brush, natural sponge and a loofah should also be prepared for use.

Now that all of the preparations have been made, you are ready to begin your sexy bath with your D-cupper. Since it was your idea, bathe her first. Let her bask in the warmth of you slowly bathing her with your hands and later, with a sponge. Put a bath pillow behind her neck and tell her to totally relax.

Cover her massive mammaries with soap. Lather her up with soap, spending a lot of time on her large breasts. Smooth the foamy soap slowly over her fleshy boulders, cupping each tit in the palm of your hand and massaging her breastflesh firmly. Bathe her slowly and tell her how much you love her.

Make bathing an intimate experience and you will never know what may happen. The most fun you can have in a bathtub is a new seduction game played with "soap crayons." Spend several sexy hours with your D-cupper in the bathtub, drawing out your fantasies on each other's bodies.

Your lover's massive mammaries make great canvases for your primitive artwork. Let your inhibitions go and let your creativity flow. Soap crayons are available in toy and novelty shops.

So, you can see that there are many ways to date D-cuppers on a tight budget. By using your imagination, we

**"What she wants is a divorce,
but I don't want to spend that much."**

beautiful and desirable.

The practical question for most men is, how can you be romantic without being rich?

Being romantic is a matter of demonstrating how much you care. You do not have to spend a lot on gifts either. Most women are more touched by you standing at the door with a single rose than by two dozen long-stems delivered by a florist.

All women love presents, and yours does not have to be gold or diamonds to impress her. In fact, very often the simplest gift is the best. Take that single rose, for example. Not only is it less expensive than a dozen, it is much more romantic. She will keep it in a bud vase by her bed until it wilts, then press it between the pages of a book to save as a memento of your love.

Or, how about a book of poetry? Go to a bookstore and pick up a volume of romantic poems for about four bucks. On the inside cover, scribble a little love note, or better yet, write a poem of your own, inscribed "To _____, with all my love." You may feel like a wimp doing it, but when she reads it she will be flattered.

An unexpected love letter is a simple, inexpensive gift. Your D-cupper can not look back fondly at an old telephone call, but she will cherish forever a funny note or love letter. No matter how thoughtfully plain, spoken words frequently come out wrong. A love letter affords the luxury of time, to convey feelings as eloquently as possible.

Anyone can do it; you do not even need a way with words. You must simply be in love or lust; yearning to tell the person what is in your heart. Make it dramatic or funny. Be anything but half-hearted. Pen the final version on heavy parchment paper, never office letterhead or cutesy stationery.

Time the love letter right. Do not send a love letter on a birthday, anniversary or when you are quarreling. Like all forms of unbridled affection, a love letter is most effective when it comes as a surprise.

Your love letter may not be great prose, but if it touches your woman's heart, if it is so engaging that she rereads it often, you will have created a masterpiece.

A little effort in the romance department goes a long way. So, try writing a love letter, even if in your heart of hearts you know you are only "slinging the bull."

Though romance is generally associated with dinner and dancing, it is more a state of mind than anything else. A long walk after a snowstorm is one of the most romantic situations imaginable, providing you are both warmly dressed. Likewise, a walk through the botanical gardens in the spring or through the woods in the fall. Window shopping is romantic, and so is browsing through second-hand bookstores or visiting museums.

A romantic evening at home with your big-busted friend is an economical date.

Mention a romantic evening and the image that probably comes to mind is a candlelight dinner, soft music, the gentle clink of champagne glasses, a man and woman whose eyes radiate softly across the table.

Candlelight, champagne and music such are the elements that lovers have always cherished as essential to romance. And the high-technology age has changed none of that. It has, however, added significantly to these traditional delights by giving us the video cassette recorder (VCR).

A romantic evening at home in front of the VCR is a unique and inexpensive way to bring along a promising relationship. You can get cozy or raunchy together over a for-lovers-only video festival.

An evening with your D-cupper and your VCR can be an aphrodisiac, especially when combined with champagne or sparkling cider, dim lights and comfortable surroundings.

There is nothing more romantic than cuddling on the sofa with your bosomy lover to watch a steamy love story. A sexy movie on videotape can

DATING D-CUPPERS ON A TIGHT BUDGET

ARTICLE BY PAUL BRUTON

FROM THE BEGINNING OF time, men have looked at, measured, painted, sculpted, photographed and worshipped women's breasts.

We suck them from the day we are born, and are drawn to them for the rest of our lives. According to most men, big-breasted women are the sexiest women alive.

It is no secret that big-breasted women are attracted to the guys with the big bucks.

There have been more than a few women drawn into bed by the possibility of big bucks. Money is, was and may always be the most powerful aphrodisiac on the market.

Being on a tight budget does not mean you have to sit home alone dreaming about big-breasted women. Your lack of money should not hamper you in your quest for busty beauties. In fact, you can make your lack of money work in your favor.

> **Just because your wallet is empty doesn't mean your sex life can't be full.**

Tonight is your night. The big-busted redhead who works at the mall is hot and willing to go out with you. You would like to woo her with a fancy meal at a four-star restaurant, but you can barely afford two loaded cheeseburgers to go.

What are you going to do? Do you postpone the date until payday? No! Call her and explain the situation. Describe in detail all the places you will take her; all the things you will do together when you get back on your feet financially. Close the conversation by asking if just this once, would she mind coming over to your place for dinner?

This honest approach about your tight budget has several advantages. First, you save a fortune. Second, you have already got her at your place and do not have to waste time and effort luring her to your place.

On the other hand, if she refuses your invitation and insists on being wined and dined at the most expensive place in town, trade her in for a more economical model.

Use romance instead of finance to seduce your D-cupper. Women love to be romanced and seduced because it makes them feel wanted. Feeling wanted turns a woman on. It makes her feel

With the kind of measurements
(50-33-43) plumper lovers crave,
Stephanie has sent many a helpless
GENT reader over the edge.

Built for comfort rather than speed,
this former "CY" lady has been
proving for the last several years
that she belongs in the big time.

Men love seeing women do private, personal things like shaving or bathing because it affords them a view they're rarely privy to.

Huge and spongy, Stephanie's boobs are her best attribute.

ON THE RAZOR'S EDGE

Stephanie Ebert, one of GENT's most popular plumpers, is back and showing herself off in a most intimate way.

prominently from her chest, even without a bra's support.

Wayne felt a single drop of semen seep out of his cockhead as he stared at Cathy's nipples. Dark pink and rubbery, their hard tips bulged out at least an inch from her breasts. The raised circles surrounding them were flecked with flesh-colored pin-pricks, giving her areolae a pebbly texture.

"Like what you see?" Cathy took one of her nipples between thumb and forefinger. She gave it a gentle tug, twisting it slightly. "God, don't do that," Wayne gasped, clutching a fist against his pants and grinding it against the base of his cock. He'd really thought he was going to lose control and shoot his wad that time. His dick was still painfully hard, but he's managed to hold off his orgasm.

He knew his face was bright red with embarrassment.

Cathy quickly moved her hands to cover her nipples as soon as she saw Wayne's distress. Contrary to what Wayne expected, she didn't seem at all offended or disappointed in him. Her expression was one of understanding affection.

"It's all right, Wayne," she said soothingly. "I'm the one who should feel bad, for not going slower. I know it's your first time and all."

Your first time, Wayne thought. *How the hell could it be my first time if I'm 38 years old*? Along with the recollection of his age came vague remembrances of other women's faces, other women undressing to show him their tits and their asses and their sweet, hot pussies. None of the memories were clear, but he was sure all of them were real. Wasn't he?

Cathy was still looking at him. "Just tell me what you want me to do. I won't rush you. Just take your time."

The sight of Cathy topless, even with her hands covering her nipples, was enough to sweep away all of Wayne's other thoughts. "I'm sorry, I just...you know..."

"I know, darling. You thought you were going to come, didn't you?"

It excited Wayne to hear a girl talk like that. "Yeah."

"But you didn't, so don't worry about it. You saved it all for me." She took her hand away from her left breast, exposing its still-rigid nipple. "You saved all your hot come for Cathy, right?" She dropped her other hand and leaned toward them. Her heavy tits swayed slightly from side to side.

"Yeah," Wayne repeated.

"I've got an idea. Why don't you take off your pants and show me that big cock of yours? I want to see it."

Wayne stared transfixed at Cathy's nipples as he reached for his belt buckle and undid his pants. If he could keep calm everything would be fine, he thought. Just like it had been the first time.

But wasn't this the first time?

"Can I touch it?" Cathy was looking at his erection, which stood straight out from his crotch. The head of his cock was so swollen it was purple.

"I'd like it more if you sucked it," Wayne heard himself say. He didn't know where that had come from; it came out like an automatic response, like part of a ritual.

Cathy's eyes opened wide, but she kept any surprise she might be feeling out of her voice. "Okay, lover. Whatever you want."

She took his cock in her hand and opened her small mouth to take it in. She went slowly at first, not using her tongue much. Wayne had a quick flash of someone named Melanie sucking his cock the same way, doing almost nothing and boring him with her lousy technique. Melanie just as abruptly vanished from his thoughts.

"You can do it harder." Wayne put a hand in Cathy's hair, clutching her head closer to his crotch. "Don't worry, I won't come in your mouth."

Cathy gave him a slutty smile. "You can come in my mouth if you want to. I won't mind, if that's what you want." She went back to sucking him, more vigorously this time. Her tongue swirled all around the shaft of his cock. The tip of her tongue circled the ridge of its swollen head and teased its tiny hole. Her cheeks

"Good news, Herbert. Remember how worried you were that your father wouldn't like me...?"

waistband of his jockey shorts in time with his racing heartbeat.

What kind of pussy am I? he thought, disgusted at his own skittishness. *This is exactly what every guy wants, a willing girl in a hotel room, and I'm too damned nervous to get things started.*

He hoped Cathy couldn't tell how nervous he was.

She was perfect, he thought. Her tits looked huge against the stretched cotton of her turtleneck. She was wearing a bra–Wayne could see its outline–but it was the kind with smooth cups that weren't wrinkly or unnatural looking.

Her breast felt warm in his hand, big and round and full. Wayne cupped it a little tighter, gently pressing his palm against it. He gave it a tentative squeeze.

"That feels nice," Cathy whispered. "I like that." She nuzzled the top of her head against his neck.

Encouraged, Wayne rubbed his thumb over the front of her tit, delighted to feel the nub of her nipple protruding against her bra. She was getting excited, he realized. Her nipples were getting erect because of what he was doing.

The thought flashed across his mind that Cathy's pussy might be getting turned on, too. His cock jerked at the prospect that he might get to see a real pussy for the first time, naked and hairy, glistening with wetness.

He wondered what kind of panties Cathy would be wearing under her jeans–bikini style? G-string? Satin? Cotton? He wanted to stare at them for a minute when her pants finally came off, to lock them in his memory forever. He never wanted to forget a single thing about this night.

Cathy put her face in front of Wayne's and closed her eyes, ready for a kiss. She didn't make any move to push his hand away from her chest. As their lips met, Wayne tugged her turtleneck up out of her jeans. Still no protest. Her tongue was languidly caressing Wayne's own in a long French kiss.

Wayne slipped his hand up under the back of her shirt and fumbled between her shoulder blades, searching for her bra clasp. And searching. He couldn't have made it this far only to be foiled by her goddamned underwear, he thought.

He was on the verge of panic when Cathy started to giggle. "It's in the front, silly." She pulled her shirt over her head and tossed it aside. "See?" She was pointing at a white metal clasp between the shining satin cups of her bra.

Wayne stared at the clasp. It was like an "S" laid on its side. It reminded him of something: a wave pattern on a screen. A white wave pattern on a monitor screen.

"You like my pretty bra, don't you?" Cathy's voice made the image in Wayne's head vanish. "Just wait till you see what's inside."

She undid the clasp and started to pull the cups away from her breasts, then seemed to change her mind. Instead she put both hands behind her and threw back her shoulders, making her tits stand out more. They were still completely covered by her snug-fitting bra cups, even though the center clasp no longer held the cups together.

"I think you should open your presents yourself, don't you?" She shook back a strand of long blond hair that had fallen across one eye.

Wayne reached for her. His mouth was very dry. He silently prayed he wouldn't come in his pants when he got his first look at a real live girl's tits. He'd seen plenty of naked babes in magazines and videos–what guy hadn't by his age?–but the reality was still a little overwhelming.

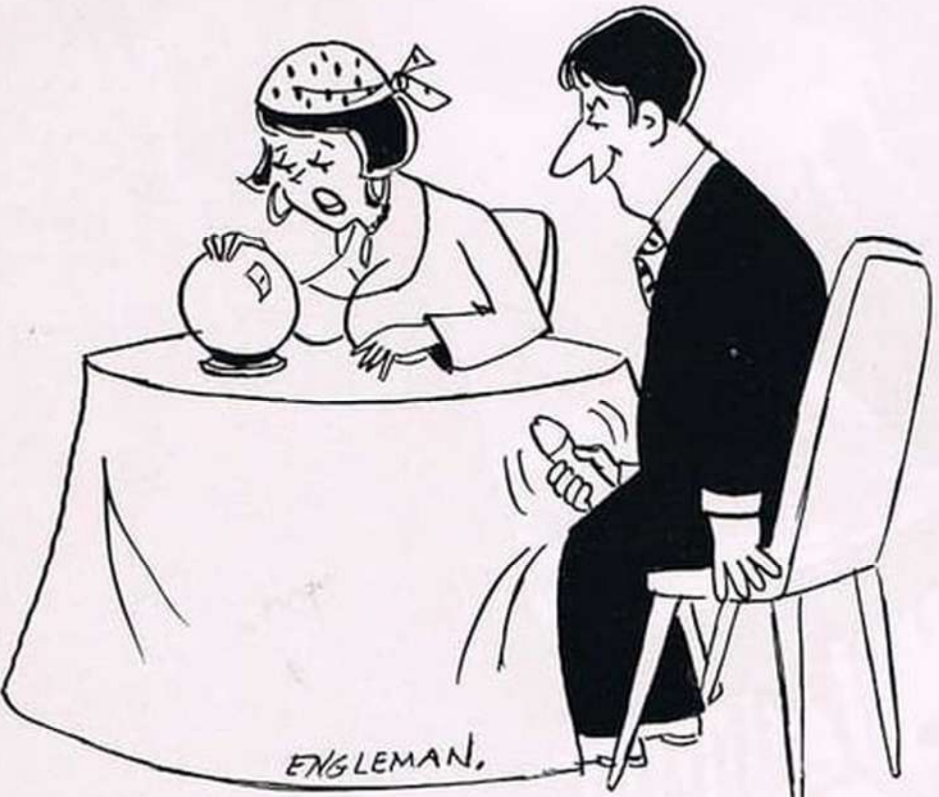
By his age. He thought about that phrase. *How old am I, anyway?* he wondered. *I'm no kid...I've got a job and a mortgage and...*

"Go ahead, Wayne," Cathy whispered. "I want you to."

Wayne had his fingers at the edges of Cathy's bra cups. When he looked up at her face she gave him a naughty smile that revealed tiny, almost unnoticeable crow's feet at the corners of her eyes. She must have been in her thirties at least, Wayne thought. She looked great, no doubt about that, but she was no teenage co-ed. He suddenly realized he couldn't remember where or how they'd met.

He decided none of this mattered. He pushed her bra cups aside.

Cathy's breasts were large enough to sag slightly of their own weight once they were freed. But their firmness still made them stand out



"You're a very horny man."

STORY BY JAMES DAWSON

If losing one's virginity is a once in a lifetime experience, why did his first fuck feel so familiar?

"IT'S OKAY, I WON'T break." Cathy guided Wayne's palm to the front of her white turtleneck, deliberately placing it over her left breast. "I'm a big girl. Go ahead."

Wayne's hand felt stiff as a mannequin as he sat beside her on the edge of the bed. He was sweating. His erect penis was pointing straight up at his belly, pulsing against the

These photos give us a look at Lauren's bulbous boobs and shaved gash from several different angles. Above, she gives us a muff diver's view of paradise while vigorously tweaking her hooters. Below, she strikes the classic hands-and-knees pose, letting her hangers do what they do best—hang. Opposite, Lauren shows off her acrobatic ability, raising one leg and spreading herself wide.

When Lauren debuted as a feature model in Dec. '89, she weighed 170 pounds and measured 42-29-40. Now she's down to about 145 pounds, but still measures an impressive 40-26-37. And as you can clearly see from these shots, she has no qualms about hitting some extremely erotic poses.

First discovered via "Candidly Yours," Lauren is one of our most interesting models in that she has drastically slimmed down from her original plumper status while maintaining virtually all of her ample bust size. We got our initial glimpse of the "less is more" version of Lauren in June of 1991.

In "Where The Girls Sweat II," a bevy of scantily clad vixens give new meaning to the term "workout" as they exercise both their bodies and their overheated libidos in this 80-minute video.

WHERE THE GIRLS SWEAT II

Although you won't see any legitimate titters here, you'll still enjoy watching the horny members of a girls-only gym exercise their pussies and clits.

The fact that watching a bevy of beautiful gals clad in skimpy, clinging body suits, T-backs and short-shorts exercising their tanned tushes off is a boner-producing sight is not news. Still, that doesn't mean it's any less exciting to see.

Well, evidently Bruce Seven felt the same way when he corralled Tianna, Kathleen Jentry, Madison, K.C. Williams, Nikki Wilde, Missy Warner, Heather Lere, Holly Rider and Flame to work out in an all-girls' gym where he could capture 80 minutes of their sweaty, nasty action in *Where The Girls Sweat II*. If you're expecting something like the latest celebrity workout tape, guess again. These gals are trim, tanned and horny as hell for pussy.

Although this video lacks the big-titted babes, the non-stop physcial activity of these beautifully built gals is an interesting diverson. Watching their sweaty bodies as they do pull-ups, sit-ups and weightlifting will propel your rocket. Of course, the action also heats up in the locker room where several sizzling girl/girl sessions take place. For instance, there's one scene in which the manager walks in on a twosome that is lost in the ecstasy of finger-fucking each other. Before long, the manager becomes so aroused that she joins them in some scintillating action that ends in a double-dong dildo fuck.

Only minutes into this video, it's obvious that the girls' exercise is limited to movements done on each other's clits and cunts. Of course, the use of the various exercise equipment can adds to the eroticism of their pussy play. I particularly enjoyed the hot honey who rubs her pussy against an exercise bar, and the beauty who kneels on a padded bench to receive a finger-fucking and then a tongue-fucking from her attentive partner.

Then there's one scene in which everybody is busy tonguing each other. During all this, a redheaded nymphette positions herself over a huge black dildo and slowly impales herself on it. It's the biggest thing I've seen shoved up a cunt since the last time I caught Long Dong Silver in action.

If watching an all-girl video turns you on, then by all means buy this video. The XXX-rated action is hot, even if there aren't any real cocks. For more information on ordering this Elegant Angel Video release, call 1-800-442-6435 or call 818-897-5562 in California. Again, don't forget to mention GENT when calling. **G**

As riveting as any episode of "L.A. Law" (and much hotter, to boot), the courtroom scenes in "In Defense Of Savannah" (above) invariably lead to some of the hottest sex scenes you'll ever see (right). Christy Canyon (right) is especially titillating as an expert witness who uses both her intellect and her ravishing body to convey her message.

ity issue, the variety of erotic sex scenes make this a video you won't want to miss. The prosecution begins the proceedings by showing excerpts from adult videos. This is the kind of jury duty most people would be happy to perform.

Although Savannah is the featured star, it's Christy Canyon, that voluptuous, big-titted vixen, who's the main attraction. Christy takes the stand as a witness against the defense. Her "testimony" includes a sizzling masturbation scene which the male jurors will probably be deliberating about deep into the night.

Christy is wearing a nurse's uniform and is seated in a wheelchair. She unbuttons her top, exposing her breasts, then begins fondling and licking her hefty hooters before diddling herself.

When her patient, T.T. Boy, awakes she gives him the best medicine known to man: her incredible dirigibles and later her panty-covered pussy in his face. Soon, Christy is siphoning his schlong and when it is rock hard, he tit-fucks her before impaling her and taking a ride to nirvana. Christy is also featured in a scene with Scott Irish. In this scene, as in the one with T.T., both guys use condoms when fucking her. Scott plays Christy's attorney and it doesn't take long for Christy to seduce him. (I guess this is how she paid him for his "services.") Scott lavishes Christy's pendulous pontoons with wet kisses, then slowly works his way down to her puffy pussy. Once nestled between her sinewy legs, Scott begins his masterful tongue work on her swollen clit and brings her to screaming multiple orgasms.

During their sweaty session, we're afforded an excellent view of Christy's breasts. Her pliable titflesh is hanging down and bouncing freely as she gives Scott one of her mind-altering blowjobs. A few moments later, after both have been satisfied, Christy sits back and lights up an after-sex cigarette.

There are more stimulating sex scenes throughout this video that you won't want to miss. However, since Christy is the gal with the biggest boppers in this video, I concentrated on her. Remember, the combination of good acting, hot sex and a relevant storyline is what makes this Vivid release a must for your personal collection. For information on ordering *In Defense of Savannah*, call 1-800-423-4227 or 818-908-0481. Don't forget to mention you read about it in GENT!

tas hang through the open mesh, creating a sight that'll make any dick throb. Their creative fuckfest lasts just the right amount of time, leaving them both completely satiated.

By now I figure you're dying to know if Trinity does more than just lip service in this video. Well, rejoice, fellas. She sure does. You know this tanned, bountiful beauty doesn't ever disappoint her fans. Trinity's scene begins with her in bed and playing with her huge, vein-crossed breasts. Then Tom Chapman joins her. Their sensuous interlude includes a hot 69 followed by an explosive tit-fucking session that must be seen to be believed.

Speaking of exploding, that's exactly what your cock will do (assuming it hasn't done so already) after you watch Kassi Nova, Charisma and Viper together in a threesome. Their triple tryst includes enough pussy lapping, dildo fucking and cunt grinding to insure that you'll be satisfied for a long, long time.

So there you have it. This video is loaded with so much hot, raunchy action, you'll want to watch it a few times to make sure you get to enjoy it all before coming. I still haven't made it all the way through an entire viewing without shooting at least one load. For information on ordering, call Filmco at 1-800-752-6842 or in California, 818-504-1966. Don't forget to mention you read about it in GENT.

IN DEFENSE OF SAVANNAH

Big-titted Christy Canyon's "testimony" is the turning point in this arousing video which examines some contemporary issues facing the porn world today.

Vivid Video, one of GENT's constant suppliers of review videos, has done it again with their release, *In Defense of Savannah*. This is one of the most exciting adult videos I've seen in some time. This feature-length video's story is as close to reality as can be. I know most people will be able to relate to this tale of art imitating life. Savannah (one of the porn world's hottest starlets) and her associates go on trial for pornography. The legal quandry being debated here is whether or not what Savannah and her friends do is simply free expression or obscenity. The fate of the entire adult sexual entertainment hangs in the balance.

While this video is strictly entertainment, it does contain a healthy dose of reality since more and more pressure is being placed on communities throughout the United States to make these kinds of decisions. Christy Canyon, Brit Morgan, Jeanna Fine, John Dough, Scott Irish, T.T. Boy and Peter North star in this skillfully written and directed video.

Don't be misled, though. This *is* an adult video and aside from the moral-

Reviews of new videos with an emphasis on big bust action.

TIT TALES III

This video, starring Trinity Loren, Jamie Leigh and Leanna Foxxx, contains so much hot, raunchy action there's no way to see it all in just one viewing.

Do you know what you get when you put tittiful Trinity Loren, luscious Leanna Foxxx and jumbo jugged Jamie Leigh together? Three hooter-laden lasses who giggle and jiggle as they introduce the vignettes in Filmco's *Tit Tales III.* After a topless romp on a trampoline, the girls take turns introducing their sizzling scenes, all of which are geared to put a bulge in any tit-lover's shorts.

Let's start with black beauty Jeannie Pepper. You'll get off watching her girl/girl scene with Charisma. Charisma is masturbating when Jeannie joins her and saturates Charisma's body with oil. This leads to a sizzling double-donged dildo fuck that will leave you panting. But don't loose your load yet, because next up is Sake, a full-breasted Oriental beauty.

Since large-breasted Oriental women are an uncommon sight, watching this titter's slow, seductive strip prior to her sensuous masturbation session will stiffen your joint. While Sake's stroking her man in the boat, she's being watched by Bob, who is mesmerized by her arousing action and begins pulling his monstrous tool. Sake takes one look at Bob and is soon on her knees, inhaling his cock. When her passion reaches its peak, Sake impales herself on Bob's rigid rod and proceeds to fuck the stud silly, causing her ample bazambas to bobble up and down.

During their fuckathon, the camera zooms in, capturing a shot I'm sure you won't soon forget. Sake gets a doggie-style fuck, and has one leg up. This arousing position allows her soft tummy flesh to hang down enough to make the viewer want to reach out and fondle it while imagining his own stiff salami is filling her snatch.

That this video would spark such fantasies isn't surprising, and speaking of fantasies, I bet there's a bunch of you who have fantasized about doing the horizontal tango in a hammock. Well, sit back and enjoy the vicarious thrill of watching Joey Silver do exactly that with beautiful Leanna Foxxx. Joey begins by licking her hot pink heels and works his way down to her furry pussy. Soon the couple are testing the tension of the hammock by fucking their brains out. First, Leanna leans back on the hammock as Joey mounts her. Then she mashes her mams against his chest while grinding her cunt against his cock as they rock in the webbed bed.

As the couple continue fucking doggie-style, Leanna's impressive ta-

"Hanging out" with luscious, lusty Leanna Foxxx can be an exhilarating experience, as this tantalizing hammock scene from Filmco's "Tit Tales III" vividly demonstrates.

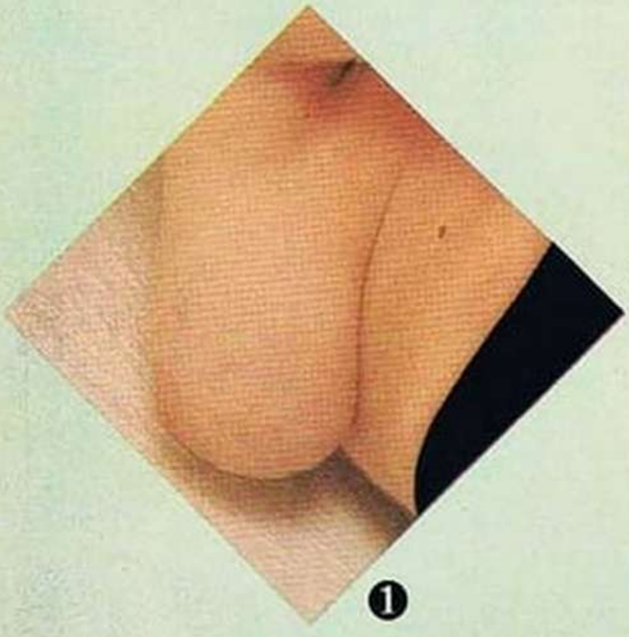
THE BREAST GAME AROUND



❶

Join the countless GENT readers who've tested their knocker knowledge in our popular boob match game.

Since we started our "Ident-i-tit" game several months ago, we've been absolutely inundated with responses. We're sorry you all can't be winners, guys, but as we've explained to you, only five randomly selected winning entrants can be awarded a free year's subscription to GENT. Feel free to enter as many times as you like each month, but be forewarned: since you guys have proven to be so good at matching mams with their owners, expect the next few "Ident-i-tit" games to be even more challenging than usual. Good luck!

ANGELICA: her hangers are absolutely heavenly

He Could Spend An Eternity With Angelica

DEAR GENT:

First, let me say that if your January issue is any indication of what I'll be seeing in months to come, then I put in my vote for GENT as the best damn magazine in the whole world. I'm in heaven whenever I read GENT.

And speaking of heaven, lovely Angelica comes straight from its pearly gates. Man, I thought I'd seen it all. She has got to be one of the most gorgeous women ever—her body is perfect. In the past, you've shown women who possessed various attributes in different departments, but none had them all in one body—until Angelica, that is. You've given plenty of other models their second and third appearances in the spotlight. Well, I'm looking forward to Angelica's second, third, fourth and fifth.

The "Candidly Yours" section was also a winner. From the plump-'n'-juicy Gail to the robust Kelli; from Anne's shy display to ravishing Ruth's luscious spread, they were all winners. Marti is truly a sight to behold. Her voluptuous ass, pert titties and full belly were enough to make her a classic, but her gorgeous face and succulent thighs put her way over the top.

I hope to see Marti appear in a full-blown layout, for I'd like to give my heart—and cock—the opportunity to experience her to the fullest extent. You're the best, GENT.—Gary G., Florida

Dear Gary: You won't have to wait long to see Angelica's second appearance. In fact, you'll see it as soon as you turn to page 90. Enjoy.

He Thinks Rhonda's Priceless

DEAR GENT:

Promise her anything, but get Rhonda Baxter to do another appearance in GENT! And soon, please!

I can't say enough good things about her. She is perfect in every way. Rhonda (GENT/January) is the best looking girl-next-door type you have had since Trisha MacTavish. If you could get either of them to do a hardcore video I would buy it at any price.

Please keep up the good work and keep those plump, homey-type girls in your magazine. You can forget the artificial tits. They are the most unsexy things around.—Girl-Next-Door-Lover, New York

Wanted: More Close-Ups

DEAR GENT:

I just purchased the February issue. The girls are the best! You should really get Beth to do a couple of poses. She would really look good on her back!

I work with 63 other GENT fans who agree that we badly need to see more close-up shots of big-boobed girls' armpits. Nothing turns us on more than a big-breasted woman who has gone two or three days without shaving.

I'd love to see Tiffany on her back with her arms over her head. Most men love to see women as they would if they were fucking them. It is very hard for us to find a magazine that has the women you do, that aren't so closely shaven they have pimples. I find that gross!

Cathy would also look good unshaven. Another thing we love are nubs. Please help us. Let's see more hair.—L.R., Ohio **G**

in which she wore the sexiest apricot bra I've ever seen. And the centerfold...with her bra unhooked, but still on her body. That was the best bra shot you ever featured.

Why is it that the "Home of the D-Cups" has so few photos of women wearing brassieres? Frankly, bras are every bit as exciting as their cargo, and I'm fed up with not seeing them. I want to see white, everyday, wide—band, back—hook bras on your models, and I want to see plenty of clear, close back views of these bras while the models are still wearing them. I want to be able to count how many hooks the bras have, and I want to see at least three. This may seem trivial, but I'm a customer, and that's what I want.

I also want to see white, open-legged, floral-patterned, metal-gartered girdles on the plump models. I remember a letter from another reader who expressed a love for girdles. The letter was given the title "The Girdle's Surprise Appeal." That the girdle's appeal was a surprise to GENT only shows how far off-base you've gotten. It was no "surprise" to me! All of this also applies to garterbelts as well. Let's see 'belts like the one worn by the girl in the window scene of *Animal House.*

On the subject of panties...let's see white, lace-trimmed, nylon bikinis, and let's see them on the girls from all angles...front, side, and back. Let's see the girls in the process of pulling their panties down, and also some straight-on, open-legged photos with the gal seated, and her panties pulled up to about the middle of her thighs.

Well, GENT, that about sums it up. Hopefully, someone will consider what I've written, and start the process of restoring GENT to its former glory. Overall, it's been the best magazine on the newsstand, and I don't want it to continue its present course. If it does, I'll be forced to develop a foot fetish or something.—A Very Concerned GENT Fan, California

CATHY: how does she compare with the legends?

Dear Concerned: We appreciate your taking the time to voice your opinions and when possible will do what we can to satisfy you. Over the last few years we've run our fair share of dancer types, but we've also shown you quite a few layouts of the all-natural, girl-next-door types. In fact, this issue is a perfect example. By our count there are at least four models who qualify as the type you enjoy seeing.

As for the bra shots, we know how much you guys like them and will show them to you whenever we find good ones. We just haven't seen too many good ones lately, but thanks for pointing it out to us. We'll pass on your wishes to the photographers.

Cathy: Imcomparably Beautiful In February

DEAR GENT:

I really enjoyed the photo spread of Cathy (GENT/ February). She has a beautiful set of pendulous jugs, a great ass and nicely shaped legs. I am looking forward to seeing her again in another big tit magazine, or an encore in GENT. Now give the girl a break! Don't start comparing her to Lisa Phillips.

Lisa is probably one of the top three natural super-tit models in the business. Devon is four or five inches and a cup size larger than Cathy, and Lisa Phillips requires a larger bra size than Devon! I'll stop the comparisons with the breasts. In short, Cathy isn't in the same class with Lisa, but then few are!—J.N., Colorado

Dear J.N.: One of the reasons we said Cathy and Lisa are similar is that they're both Irish, a real rarity for us. They're shared nationality makes comparisons natural and frankly, we think being compared to the legendary Lisa Phillips is a compliment. But we agree with you that both ladies are very special in their own way.

RHONDA: huge, natural hooters left reader begging for more

But she did make up for her shyness in the tummy area by giving us two shots of her open cunt. Connie Forbes is a very classy lady, the type you could bring home to mother. I hope to see more of her again soon, and that she spreads her legs a little more and shows us some pink.

Your January '92 issue was every bit the equal of December. I can't say enough about Rhonda Baxter! More, more, more, please! For those who like the girl-next-door type, she is IT! It is really rare to see a novice like her show the whole thing in her first layout the way she did. When I saw the photo on page 24 with her separating her pussy lips and showing her hole I was in ecstasy. And right across from that shot was just the kind of standing picture that we want! The head-to-toe standing shot is the best way to see a girl's body in a natural pose. Please try to include one in every layout.

Angelica Lopez is also a very welcome new addition to GENT and is one girl who should be invited back.

I would like to add my support to the anti-silicone movement. Frankly, I can find nothing at all attractive about any of these professional strippers with silly stage names and fake tits. Big and natural beats big and fake any day. Some of these girls look more like cartoon characters come to life than real females. Give me the natural look of Rhonda Baxter any day.

Any chance of seeing some of my old "natural" favorites again? It has been quite awhile since Leah Ryan, Carol Tanner, Trisha MacTavish, and Betty Lenox graced your pages. More recently, Susie from October '91 and Keli Cooper from September '91 should be repeated.

Regarding your artwork, whatever happened to Brian Forbes? His drawings were the best I have ever seen in GENT, sometimes they were even more sexy than the photo layouts. Otis Sweat's work is not even close and Michael Kirwan's illustrations are just plain grotesque.

So please keep those natural, girl-next-door types coming. I hope those who find and photograph these girls like Tim Hammill, Lance Kincaid, and John Lomax are well rewarded for their efforts. They help to make GENT the best in its class!—D.K., New York

Is GENT Changing For The Worse?

DEAR GENT:

What's going on here? It seems every time I open a new copy of the "Home of the D-Cups," I find a magazine that is filled to overflowing with artificially enhanced tits, ridiculous claims for bra sizes, and few, if any, shots of girls wearing the kind of undies that real women wear.

GENT has, in my estimation, drastically changed for the worse over the past few years—especially in recent months. Time was, I would pick up GENT and pay for it without even glancing inside. I knew I'd find plenty of real, naturally full—breasted women inside. Not so anymore. Now all I see are over-the-hill strippers, who are probably posing in a desperate attempt to remain active. This is not the GENT I used to know.

The GENT I once knew had women like "Oral Annie," and Barbara Alton. I fondly recall Barbara's first appearance,

MICHELLE: an extraordinary sex goddess

Mindy Rae Got Him Going

DEAR GENT:

My roommates and I love each and every issue of GENT. We especially enjoy reading "The Boob Tube" and "Candidly Yours."

In your February '92 issue you treated us to a pictorial of one of our favorite porn stars, Mindy Rae. She, along with our other all time favorite XXX star Buffy Davis, has caused many an orgasm in our house.

Could you do three hardcore fans a great favor and publish any information as to what either of them is doing now and what movies we can see them in?—H.H., J.C., and M.K., Ohio

Dear H.H., J.C. and M.K.: Both ladies have been in several dozen porn flicks, so it wouldn't be possible to list them all here. You might want to pick up the "Blue Guide to Adult Film Stars" which lists all of their credits.

Whipped Cream Whipped Him Into Shape

DEAR GENT:

Let me make it plain and simple...Roberta Smallwood makes my blood pressure as well as other things rise! Immediately after receiving the January issue, I searched the pantry for some whipped cream. Later I talked to my wife about Roberta and how she turned me on so. The truth is my wife and Roberta could be sisters. Hair color, age, complexion are inentical, although my wife's tits are not quite as huge.

That night I brought out the whipped cream and, as I thought of Roberta, proceeded to whip cream my wife's tits, pussy, even her toes. When I finally licked every last bit off, I was so hard my wife thought she had grabbed a tire iron. I gave her such a ride I felt like I was 18 again. When I finally came, I came so hard I thought I might explode.

I have GENT and Roberta to thank for renewing the fire in me. Thanks!—Randy "The Razor," Illinois

Michelle: Extraordinary In Every Way

DEAR GENT:

I would like to take this opportunity to make some comments about your January '92 issue. There are two new models that I found to be extremely special.

First, there is Rhonda. She is the special type of lady that portrays both innocence and sultriness. I fell in love with her beautiful face, her large and natural hanging breasts, her soft and pudgy tummy, and her beautiful fleshy thighs. Rhonda has it all in my book... she's the total package. I give her two thumbs up and hope to see her again and again. Thanks for finding her and sharing her with your readers.

The other model I found extraordinary is Michelle. While Rhonda is the girl-next-door type, Michelle is the heartthrob type that many of us men find unapproachable. Her photos speak for themselves. She is a real sex-goddess in every sense of the word. I wish to see her often in future issues. Didn't you have her measurements and those of Angelica Lopez reversed?

Thanks for publishing the best men's magazine money can buy. Finding an issue in the mailbox every month is like celebrating Christmas every month. Thank you.—J.C., Florida

It's Been A Great Year For Plumper Lovers

DEAR GENT:

What a great way to end the old year and to begin the new! I am a fan of all—natural tits and girl-next-door plumper types, so seeing Connie Forbes, DeeDee Weston, and Annette in one issue was a fine finish to 1991. It is too bad that DeeDee kept her tummy sucked in. We plumper lovers think that a bulge in the middle is sexy, not something to hide. It also made her appear unnatural and uncomfortable.

FEATURES

Another First 24
He was having a great time except for one thing. Try as he might, he just couldn't understand why, if losing one's virginity is supposed to be a once in a lifetime experience, did his first fuck feel so damn familiar? *Fiction by James Dawson*

Dating D-Cuppers On A Tight Budget 36
In these recessionary times, you'll be happy to know that although your wallet may be empty, that doesn't mean your sex life can't be full. This helpful guide will show you how to score with big-titted ladies while not spending a fortune. *Article by Paul Bruton*

Big Bust At City Hall 50
With his case going nowhere fast, this private eye was getting desperate. Luckily for him, a beautiful, mysterious, big-titted woman appeared and provided him all the help he needed...and a whole lot more. *Fiction by Jack Dakota*
